San Felice del Benaco is a picturesque town located on the west coast of Lake Garda, in the province of Brescia, Lombardy, Italy. This charming town offers spectacular views of the lake and the Sirmione peninsula, which lies at the opposite end of the lake.

San Felice del Benaco is surrounded by vineyards and olive groves, and is famous for the production of high quality wine and olive oil. The region also offers many opportunities for water sports, hiking and outdoor activities, making it an ideal destination for those who enjoy nature and relaxation on the shores of Lake Garda.

INTERNSHIP
at Europa Silvella

We are excited to present a unique opportunity for young students who wish to enrich their cultural and professional experience. Our campsite is proud to be partner with Dutch and German tourism schools to offer Internships. In this context, the young students will have the opportunity to live an extraordinary life experience and acquire valuable work skills in the reception and F&B Department

The Life Experience:

One of the most fascinating aspects of this programme is the opportunity to fully immerse oneself in Italian culture. Students will have the chance to live in Italy for a few months, discovering the beauty of our country and experiencing Italian daily life firsthand.
During the internship, students will live inside the campsite in a mobile home shared with other team members. Each accommodation is equipped with two bedrooms, a shared bathroom, and a common kitchen, providing a collaborative and welcoming living environment.
This life experience is valuable not only for improving language skills, but also for developing cultural awareness and an international perspective.

Professional Training:

At the heart of this programme is practical, high-quality training across our Reception and Food & Beverage departments. As active members of our campsite team, participants master the daily operations and management skills required in the modern tourism sector. Under the direct mentorship of experienced professionals, interns gain real-world experience—providing the perfect launchpad for a successful career in international hospitality..

Cooperation with European Schools and Universities

For several years, our campsite has collaborated with tourism schools and universities across Europe—including institutions in the Netherlands, Germany, Croatia, France, and Spain. This ongoing partnership has fostered incredible experiences and strong bonds between young talents and our team. We are deeply grateful for these relationships, which make our cultural exchange and professional training programme possible.

Join Our Team:

Our campsite is excited to offer this exceptional opportunity to students looking to gain practical skills and an international perspective. We look forward to welcoming new participants to a unique adventure that will enrich their lives and open doors in the world of global hospitality.

INTERNSHIP at Europa Silvella

Over the years, we have welcomed numerous students from the Netherlands, Germany, Croatia, Slovakia, France, giving them the opportunity to live and work in a unique and stimulating environment. Each of these experiences has helped create an ever-stronger connection between the foreign students and our campsite, as well as providing the young participants with a solid foundation for their future.

Explore some of the unforgettable experiences students have had at our campsite over the years. These stories are testimony to the value and uniqueness of this programme.
